

SWAMP Bioaccumulation Oversight Group (BOG) Meeting

Thursday, September 3, 2009

1:00 – 3:00

Teleconference

Call-in Number: 1-866-916-5407

AGENDA

1.	Roll Call	1:00 Jay Davis
2.	Coast Year 1: Progress on Sampling <ul style="list-style-type: none"> ▪ Sampling of the southern California zones is nearly complete. Sampling of Region 2 zones will be the next focus. 	1:05 Gary Ichikawa
3.	Proposal to Cancel Archives Study and Reallocate Funds to Region 2 Coastal Zones <ul style="list-style-type: none"> ▪ The FY 05/06 budget included a \$47,000 study to analyze the tissue samples that had been archived for 5 years (attached). We are proposing that these funds be applied to sampling 3 zones in Region 2 that were not covered under the budget for this summer's sampling. The rationale for this reallocation will be presented. 	1:35 Mark Stephenson Jay Davis
4.	Coast Year 1: Allocation of Remaining Effort <ul style="list-style-type: none"> ▪ Plans to complete the sampling for year 1 will be presented for approval. 	1:55 Jay Davis Gary Ichikawa
5.	Lakes Study: Revised Timeline for Two Year Report <ul style="list-style-type: none"> ▪ Due to a number of factors (unanticipated amount of media work, unanticipated portal development work, the large task of compiling supplemental data on lakes, and timing relative to a related State Board lake mercury study), a later timeline for the Lakes Year 2 report is recommended. The proposed schedule: January – Draft report, Review Panel Meeting – Feb/Mar, April – Final Report. 	2:15 Jay Davis
6.	Safe to Eat Fish and Shellfish Portal Demonstration <ul style="list-style-type: none"> ▪ This portal developed by the SWRCB and SFEI will be going public soon in response to demand by the Water Quality Monitoring Council for a rapid turnaround. 	2:30 Jon Marshack
7.	Action: Wrap-up, plans for next meeting	2:55 Jay Davis
